Monday through Friday, 9am - 5pm

TERMS AND CONDITIONS

- ❖ Applications **MUST** be submitted within 60 days of installation date.
- ❖ Self installations of the charger is not allowed in this program.
- ❖ Rebate is subject to availability of program funds.
- ❖ Applicant is fully responsible for providing a complete application and supporting documents.
- ❖ Equipment must be new. Used, refurbished, rented, gifted, won in a raffle, or purchased by someone else are NOT eligible for this rebate.
- ❖ Must be a Level 2 (208/240 volt) EVSE (Charger).
- ❖ **Mobile connectors such as, but not limited to a Tesla Charger Gen 2 Mobile Connector, are NOT eligible for this rebate.**
- ❖ All qualifying systems must be installed in accordance with the standards and specifications of the manufacturers of the components in the system, in compliance with all federal, state, and local safety, building and environmental codes and ordinances and these guidelines. The applicant agrees, as a condition of participation in the program, to remove and dispose at its sole cost and expense any and all equipment or materials that are replaced or removed in accordance with all applicable laws, rules, and regulations.
- ❖ All equipment must be tested to Underwriters Laboratory (“UL”) standards and be UL listed and installed per manufacturer’s instructions.
- ❖ ENERGIZE DELAWARE does not endorse any particular manufacturer or model in promoting this program.

Payment

- ❖ The applicant may assign the incentive payment to the contractor. Incomplete or missing information will delay the processing of the application and incentive payment.
- ❖ The Fund will not pay more than 90% of the total project cost for any proposed project as detailed on itemized invoices for income eligible customers. The rebate has a maximum payout of \$1,000.
- ❖ The Fund will not pay more than 50% of the total project cost for any proposed project as detailed on itemized invoices for market rate customers. The rebate has a maximum payout of \$500.
- ❖ ENERGIZE DELAWARE reserves sole discretion to accept or reject any applications. ENERGIZE DELAWARE makes no commitment to provide rebate payment prior to final application approval.

Site inspection

- ❖ The applicant agrees to allow ENERGIZE DELAWARE or its program evaluator to conduct on-site inspections to verify that the incentivized measure was installed and to conduct other measurement and verification activities to assess any potential energy savings or increases.

Tax Liability

- ❖ The applicant is responsible for any tax liability imposed as a result of the payment of grants. Please contact your tax professional for more information.

Changes to the Program

- ❖ ENERGIZE DELAWARE may change the program, the terms and conditions, program guidelines, and operational procedures at any time without notice. Applications will be processed to completion under the program terms and conditions, program guidelines and procedures in effect at the time of the approval by ENERGIZE DELAWARE.

STEP 6: CUSTOMER AGREEMENT

By signing this application, I agree to the Terms and Conditions set forth on this application. I further acknowledge that I am authorized and hereby grant ENERGIZE DELAWARE express permission to release to company partners the data provided in this application and other related account information, such as consumption data, needed for the sole purpose of energy efficiency evaluation, reporting and program alerts. I understand and agree that when participating in the ELECTRIC VEHICLE SUPPLY EQUIPMENT rebate pilot program, I am solely responsible for the selection of any contractor that will perform work. All contractual arrangements are solely between me and the contractor. I, the Customer, will hold harmless ENERGIZE DELAWARE and its officers, directors, agents, employees and representatives from all claims, liabilities, fines, interest, costs, expenses and damages incurred by me, and for any damage, injury, death, loss or destruction of any kind to persons or property, arising out of or related to this program or in any way associated with the equipment and services that are the subject of this program. ENERGIZE DELAWARE does not guarantee that installation of grant qualifying equipment will result in reduced energy usage or demand, or in cost savings. I certify that all information provided in the application is correct.
